

Diligent Search Attestation

Arkansas

Insured Name _____

Line of Coverage _____

I attest to completing a diligent search of the admitted market required by the state of Arkansas prior to binding coverage through PURE Programs for the insured listed above. The full amount of insurance required was not procurable from among authorized insurers who are actually marketing this kind of insurance in this state.

I further attest that I have not been made aware of an offer of insurance in the admitted market from any source, except if the admitted insurer offered similar coverage requiring a gross premium of 20% or more higher than the total gross premium and charges of this surplus lines insurance.

As required by Arkansas law, I will maintain written documentation of compliance with the diligent search requirements. The results of the diligent search will promptly be provided to PURE Programs upon request in the event of a regulatory review.
