

Diligent Search Attestation

Kentucky

Insured Name _____

Line of Coverage _____

In my capacity as a Kentucky licensed Property and Casualty Agent, I was unable to secure sufficient insurance coverage for this insured per KRS 304.10.040. Prior to binding coverage through PURE Programs for the insured listed above, I completed a diligent search of the admitted market required by the state of Kentucky. I endeavored to secure this insurance from insurers licensed in Kentucky and, having been rejected, have advised the insured that their coverage is being insured by a surplus lines carrier which is not licensed to do business in Kentucky.

In addition, I confirm that the insurance placed with this surplus lines insurer was not sought or required to secure advantage, either as to premium or terms of the insurance contract.

The results of the diligent search will promptly be provided to PURE Programs upon request in the event of a regulatory review.
