*Minnesota*

Insured Name \_\_\_\_\_

Line of Coverage Primary Residential Flood

This risk is being exported to the surplus lines market because:

(Select one)

This risk was referred to PURE Programs, a surplus lines broker, by a Minnesota-licensed insurance producer who is not affiliated with the surplus lines broker.

At least one admitted insurer quoted a premium and terms not competitive with a premium and terms quoted by an eligible surplus lines insurer.

Coverage is unavailable from an admitted insurer as evidenced by a diligent search of the admitted market prior to binding coverage through PURE Programs for the insured listed above. The results of the diligent search will promptly be provided to PURE Programs upon request in the event of a regulatory review.
