I attest to completing a diligent search of the admitted market required by the state of Missouri prior to binding coverage through PURE Programs for the insured listed above. The full amount of insurance required was not obtainable from admitted insurers who are actually transacting this kind of insurance in this state.

In addition, I understand that insurance is deemed obtainable within the meaning of section 384.017 Missouri Statutes if there is available a market with admitted insurers that can supply the insured's requirements both as to type of coverage and as to quality of service.

The results of the diligent search will promptly be provided to PURE Programs upon request in the event of a regulatory review.
