I attest to completing a diligent search of the admitted market required by the state of Washington prior to binding coverage through PURE Programs for the insured listed above. The insurance was not procurable after diligent effort from among a majority of the insurers authorized to transact this kind of insurance in this state. Placing the insurance with an unauthorized insurer was not done for the purpose of securing a lower premium rate than would be accepted by any authorized insurer.

The results of the diligent search will promptly be provided to PURE Programs upon request in the event of a regulatory review.
