

Winterization Plan Questionnaire

Dwellings that are unoccupied for a significant period require additional information. The responses in this questionnaire are used to evaluate the condition, characteristics, and risk profile of the property. The responses provided may impact eligibility for coverage, the scope of coverage offered, and other terms or conditions. Please provide the following information:

Applicant Name(s): _____

Property Address: _____

1. Is heat maintained (heat throughout home is kept over 55 degrees F) while home is unoccupied?

If yes, what is the fuel source?

If yes, is there a contract of automatic fuel refills if other than municipal gas?

2. Is a licensed plumber contracted to winterize home?

Winterize meaning draining water supply lines and appliances, using anti-freeze, and testing lines before turning water back on

3. Is there a caretaker servicing home when unoccupied?

If yes, how frequently is caretaker looking at home?

4. Additional Comments

Applicant's Statement: I declare that the information stated above is true, complete and correct to the best of my knowledge and belief. This information is being offered to the company as an inducement to issue the policy for which I am applying.
