

Diligent Search Attestation

Wyoming

Insured Name _____

Line of Coverage _____

Prior to placing coverage through PURE Programs for this insured, I determined that:

1. A diligent effort was made to procure the full amount of insurance required from admitted insurers which are authorized to transact, and actually writing, this kind and type of insurance in this state and which have appointed this insurance agent/agency as indicated by signature below.
2. The insurance was not exported for the purpose of securing advantages for either a lower premium rate than would be accepted by an admitted insurer, unless the difference is significant enough to adversely affect the insured if not offered; or because of the terms of the insurance contract, except as identified as critical coverage that is required by the insured and not offered by an appointed admitted insurer.

In accordance with W.S. § 26-11-104(a), the search has been documented on Wyoming's Statement of Diligent Effort form. It will be provided to PURE Programs upon request in the event of a regulatory review.

In addition, I confirm that the insured has signed the Notice of Surplus Lines Placement required by W.S. § 26-11-109(b), and a fully executed copy will be provided to PURE Programs upon request in the event of a regulatory review.
